

Willow Spring Raceway

April 23, 2009

Welcome to our 3<sup>rd</sup> event of the season! I am excited to say that we have a full field attending this event.

Our schedule listed below, will allow you to run three and a half hours on track, in addition to the time trial and club race. Please come prepared to have a fun and safe event. It is imperative that you prepare well before this event by having your car teched and to insure you have sufficient tires. I have done these types of events only to go home disappointed that I did not prepare properly. I look forward to seeing everyone and enjoying what looks to be a perfect race day.

Sincerely,

Jim Navarro
