

LCS participants:

Below is the Schedule for our Buttonwillow Event, which is being hosted by SpeedVentures.

We have 5 LCS/LOTUS-Only run sessions for both Saturday and Sunday, which includes our TT and Demo Race, both of which will be conducted on Sunday.

Please note that we will be using our last run session (30 minutes) on Saturday as our qualifying session to determine grid positions for the Demo Race. We will be breaking this qualifying session into two 15-minute sessions with ~ 12 cars per session based upon earlier recorded lap times. For those not participating in the race, this will serve as another practice session.

Our official Event Motel:

Super 8 Motel

(661) 764-5117

20681 Tracy Ave, Buttonwillow, CA

We have blocked 20 rooms in the courtyard away from the highway. You must ask for Lotus challenge series rooms.

Additional run sessions can be purchased directly from Speed Ventures if you want more track time. This can be done on a daily basis (by advance purchase of 5 complete SV sessions -- \$180 for Saturday and/or \$160 for Sunday, subject to availability) or you can purchase "ala carte" sessions (\$40 per session) at the track, again subject to availability. **If you want to guarantee getting some extra practice time, you are encouraged to sign up in advance of the weekend for a complete SV-day as Aaron of SV has told us that he expects all run groups (but for the Novice) to fill up.**

Friday –

I will be in the lobby of the super 8 registering participants from 5-7 P.M. If you don't want to risk missing your first run session see me there. For repeat participants I only need your tech form and you will sign one release. In addition I will pass out sponsor stickers . Tech forms are located in the rules section of the lcs website.

Buttonwillow Event Schedule: (subject to change)
